

## Forma™ - The contemporary new anywhere playsystem

We're bringing play to a new dimension. Introducing Forma™, a sculptural take on traditional playstructures. Clean, modern and unlike anything else, Forma uses asymmetrical shapes, unique angles and a mix of materials to create play that looks and feels brand new. Clear sightlines make it easy to see all the activity. Above, below, inside and out, there's so much to explore with Forma!

Forma brings a contemporary vibe to any play environment. With its architectural influences and endless color possibilities, create the perfect complement to your play setting, whether you're looking for a nature-inspired style or something more modern. Kids will love the dynamic, challenging, and inclusive play opportunities provided by Forma's clean, angular design and sensory-rich mix of materials.
